FIFTEEN CENTS

MOTORISTS PASSING Ev Oftedahl's home on Rt. 173 do a "double take" when they see this Viking ship parked in his driveway. Mr. Oftedahl bought the authentic replica from an Elkhart Lake, Wis., man and plans a "maiden voyage" to Blarney Island next spring. Then it will be docked at the Oftedahls' place on Lauderdale Lakes near Elkhorn, Wis. Ev, who says he's 100 percent Norwegian although born in the United States, suggests that a larger ship like this was piloted by Norse adventurer Leif Erickson "when he discovered America 1,000 years ago."

Lions Giving Swim Pool To Village

6 Trustees Indicate It's a Deal

Representatives of the Antioch Lions Club met with village trustees Monday night and offered to sell them their swimming pool for \$1.

It was a meeting of the Civic Activities committee, composed of trustees Bill Seemann, Arnold Weber and Diane (Willie) Kasik.

The village's three other trustees, Mike Haley, J. Irving Walsh and Ron Cunningham, also were there.

SEEMANN SAID his committee would recommend that the village board accept the offer at its Monday, Oct. 6, meeting. The other five trustees indicated their approval.

Cliff Houghton, representing the Lions, said the club has run the pool, known as the Antioch Aqua Center, for 20 years. In recent years considerable repairs and improvements have been made and the Lions now have a debt of more than \$24,000, Houghton said. The Lions will pay off the debt.

Houghton said he was sure the Lions would continue to help the village keep the pool in good repair.

THE VILLAGE board is expected to assume the ownership and operation of the pool at

ACHS Meeting

The regular monthly meeting of the board of education of Antioch Community High school, District 117, will be held Thursday at 7:30 p.m., in the board room.

PROMOTING THE "HISTORICAL HOP," a Colonial Bicentennial Ball planned Oct. 11 by the Antioch Mental Health Association, are (from left) Pat Lorenz as Lillian Russell, Annette Lubkeman as Betsy Ross and Ann St. Pierre as Mother Seton. The costumes were borrowed from Phyllis McMillen, who made them for her well-known historical style show. The "Hop" will be at Lorenz's Smart Country House.

'Historical Hop' Plans Discussed

The Antioch Mental Health Association is finalizing plans for the Historical Hop, a Colonial Bicentennial Ball. It will be held at Lorenz's Smart Country House on Saturday, Oct. 11, at 8:30 p.m.

Music will be by the "Band of Dr. Rosen." There will be a festive 11:30 p.m. buffet

featuring many of the foods served in Colonial times.

There will be gifts for all the ladies and prizes for the best costumes.

Although it is a costume ball, the committee emphasized that costumes are not mandatory, but everyone is encouraged to wear a costume from some

period in history.

Chairman of the Ball is Mrs. Robert Lubkeman. Committee members are: Mrs. Philip Cirone, Mrs. Elroy Anderson, Mrs. Dan Maris, Mrs. John Connors, Mrs. Ray Lewis, Mrs. Zaida Vos, Mrs. Norman Jedele and Mrs. Albert Bucar. Mrs. Ray Lorenz is president of the association.

Grade School Meetings Set

Public meetings explaining the upcoming building referendum for the Antioch Grade Schools, District 34, will be held

at the Antioch Lower Grade School, Sept. 30, and at the Upper Grade School on Sept. 29. Both are scheduled for 7:30 p.m.

Plays College Field Hockey

Marcia Doolittle, a 1974 Antioch Community High School graduate, has been selected to the Northern Illinois University women's intercollegiate field hockey team.

Competing in her second hockey season, Miss Doolittle is now a sophomore at NIU. She and her teammates face Valparaiso University, the University of Iowa, Principia College, NIU Alumnae and Purdue University.

FRED W. SMITH

Fred Smith Dies at 96

A retired Antioch farmer who lived to the age of 96 died last Friday at Downey Veterans Hospital.

Fred W. Smith was a long-time resident of the area and one of the last remaining survivors of the Spanish-American War.

Mr. Smith had served in the Navy from 1899 to 1903. He attained the rank of coxswain, earning \$30 monthly when sailors had to pay for their own food. He served on some of the first coal-fired ships and crossed the equator three times, in those days.

He settled in Antioch in 1940, the same year Edna, his wife of 35 years, died. He is survived by one daughter, Mrs. Lillian Gaa of Antioch, two grandchildren and three great-grandchildren and two great-great-grandchildren.

Funeral services were held Monday at the Strang Funeral Home.

Continued from page 1

its Oct. 6 meeting.

Trustee Mike Haley said: "The Lions have done a heck of a job for 20 years and for \$1 they're offering the village something that is worth more than \$100,000."

Trustee Ron Cunningham said: "I think it's a great gift from the Lions Club."

Haley said he thought that with its municipal package the village would be in much better shape than the Lions in handling the costs of insurance, utilities and repair and maintenance.

WALTER SHEPARD, superintendent of public works, said he anticipates few additional problems for his department. "I believe we would be able to knock down the maintenance cost," Shepard said. "The Lions Club now has to hire work that the Village crew is capable of handling."

If the village takes over the pool, it is expected that the newly-created park commission will be in charge of it. Seemann said: "If the community believes as strongly in parks, playgrounds and open space as I do, perhaps in the future it will consider a referendum if we find we can't operate our recreational facilities in the black."

BARRY GOLDWATER

How Sprawling Bureaucracy Uses Your Tax Dollars

By SEN. BARRY GOLDWATER

The cost to the taxpayer of Uncle Sam's inefficient, wasteful and sprawling bureaucracy is increasing almost too fast for officials here to count it. In the past week, for example, these events took place:

1-Social Security officials estimate that the \$403 million overpayment of benefits disclosed recently may turn out to be an \$800 million mistake in their computerized bookkeeping.

2-Negligence on the part of federal housing officials has allowed 110,000 American homeowners to cheat the government out of \$25 million in federal mortgage subsidy payments.

3-The General Services Administration is about to start work on a new Federal Home Loan Bank Board headquarters which will contain a \$1.2 million ice skating rink.

THESE ARE the kind of things that happen now almost on a daily basis in a federal establishment so large that it defies management and control.

To this minute I haven't seen an adequate explanation for the loss in taxpayers' money in the Social Security Supplemental Income fiasco. It is all well and good for officials at the Social Security Administration to blame it all on their computers, but the fact remains that somebody was in charge of those computers and somebody has to be responsible for the way they function or fail to function.

IN THE question of cheating in the housing mortgage field, the General Accounting Office blames "weakness in the procedures and practices" of the Department of Housing and Urban Development. These weaknesses, it seems, resulted in massive overpayments which accounted for more than

10 percent of the \$205 million which HUD spent last year on its home mortgage subsidy program.

GAO auditors discovered several ways that homeowners were able to cheat the government, the most costly of which was the simple matter of understanding their annual incomes.

The 1968 Housing Act which created the mortgage subsidy program is designed to encourage low and moderate income Americans to become homeowners.

It requires participants to pay at least 20 percent of their adjusted gross income toward their mortgages. The federal government assumes most of the additional cost.

THE BANK Board's ice skating rink has been described by members of the National Capital Planning Commission as "innovative and imaginative."

It certainly is all of that but is it necessary? Nobody in an official capacity has yet gotten around to explaining why the members of the Federal Home Loan Bank Board need an ice skating rink that can be turned into a picnic area and a pond with a waterfall in the summer.

Bicentennial Ceremony Is Planned

Plans are being completed for Antioch's Sunday, Oct. 12, Bicentennial event.

The community dedication ceremony will begin at 2 p.m. in the park on Broadway, across from the rescue squad building.

Ralph Brooke will sing the national anthem and the invocation will be given by Father Francis Johnson.

The high school band will perform under the direction of John Olisar, and then the introduction will be given by William E. Brook, chairman of Antioch's Bicentennial Commission.

Mayor Robert C. Wilton will welcome and introduce guests, then James W. McMillen will give the keynote address.

Benediction will be by Rev. Philip O. Laurin.

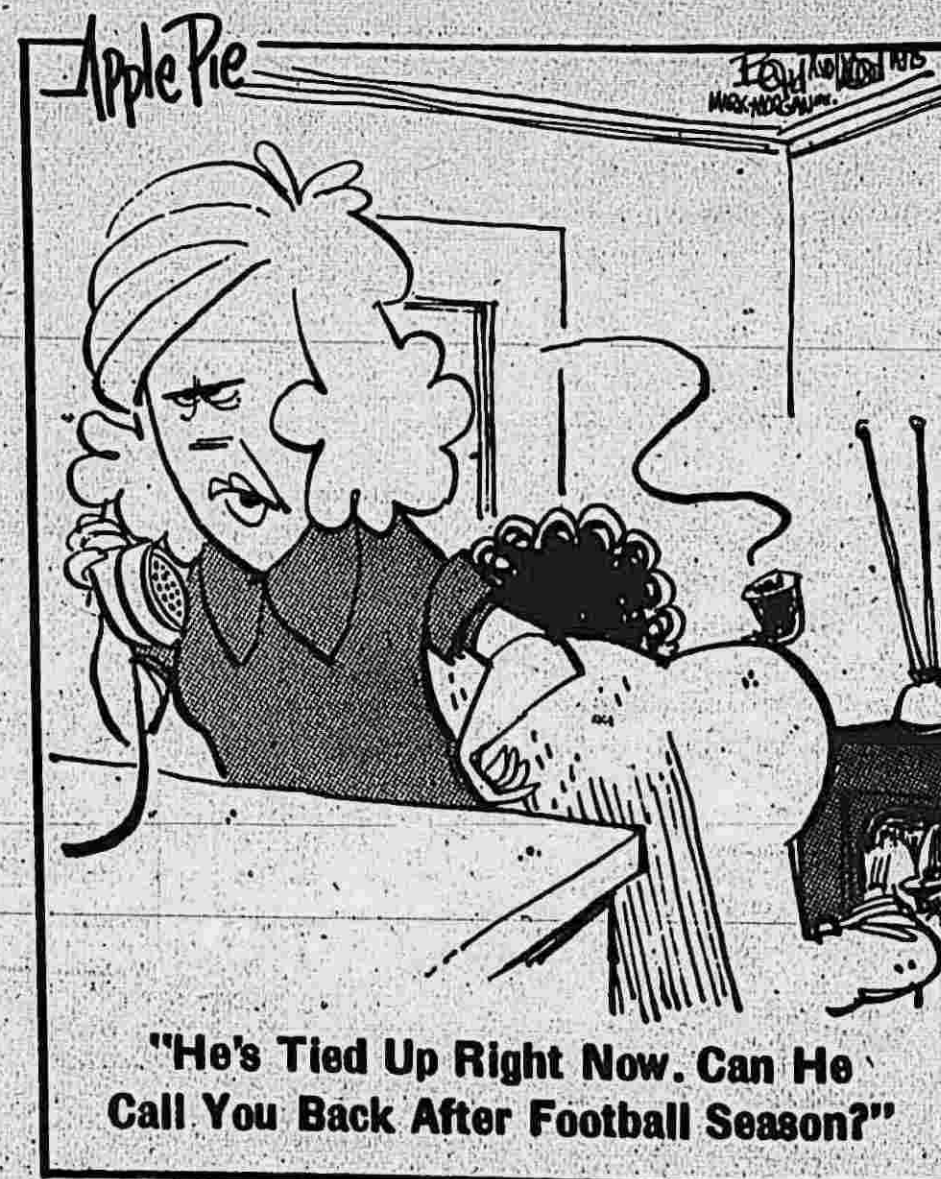

The committee, composed of Mayor Wilton, Dr. Al Bucar and Gus Costoff, is encouraging people to come to the ceremony in bicentennial attire, and also to arrive by horse and buggy if they have them.

JOE STERBENZ (center) of Antioch Bowling Lanes presents checks to the Antioch Little League, represented by president Bernie Gutowski (left) and to the Fire Department, represented by J. Lions' Candy Day Begins on Oct. 10

Plans for the Antioch Lions Club's annual "Candy Day for the Blind" have been announced by Bill Barr, chairman of the event.

The Lions and their friends will be "out on the town" Friday, Oct. 10, from 11 a.m. till 7 p.m., and Saturday, Oct. 11, from 8 a.m. till 12 noon.

Barr said that anyone wishing to volunteer to assist the Lions in their endeavor to raise funds for the blind in this community can call him at 395-2303.

In all of Illinois, the Lions are aiming for one million and two dollars. (That's because it would be nice to say they raised more than \$1 million.)

"The purpose is to raise money to support programs, projects and agencies that aid the visually handicapped in Illinois. In the last 21 years, Illinois Lions have raised more than \$9.5 million for this purpose," Barr said.

The Lions and their friends will wear Candy Day aprons and hats, carrying canisters for donations, and giving away candy (Lions do not sell candy).

In the past, the governor and mayors all over the state have issued proclamations making Candy Day even more special. Be it fair or foul weather, the Lions will be on the streets, according to Barr.

More than 3 million candy rolls will be given away by members of most of the state's 630 Lions clubs.

Among Lion approved pro-

jects that will benefit from Candy Day is Leader Dogs for the Blind in Rochester, Mich. This school, founded by Lions more than 30 years ago, is world famous for its training program for dogs and people - at no cost to the blind person. The school graduates more teams of dogs and blind persons than any other comparable institution in the world.

Another recipient will be Illinois Camp Lions for Visually Handicapped Children at Hastings Lake in Lake Villa.

"Since its founding by Lions in 1960, the camp has provided a series of recreational experiences for youths with visual handicaps," Barr said.

The Lions Mobile Glaucoma Screening Unit, a new mobile unit purchased in March, travels throughout the state and is equipped to screen for glaucoma, diabetes, and hypertension. More than 250,000 people have been screened in the unit since the program began in 1969.

Special outings (such as trips to the circus) for blind children also are helped by Candy Day.

'Beat the Champions' Checks Are Awarded

Joe Sterbenz and Marty Padjen, co-owners of the Antioch Bowling Lanes, have announced the presentation of checks representing the proceeds of their 1974 "Beat the Champions" bowling competition. Recipients were the Antioch Fire Department, the Antioch Rescue Squad, and the Antioch Little League.

The "Beat the Champions" competition is sponsored jointly by the Chicago Sun-Times and the Chicago area Bowling Proprietors Association and is the only charity event at participating establishments. All proceeds are distributed to each lanes' favorite charities on a percentage basis.

This year, bowlers' scores during the specified week were matched against the scores of ABC Masters Champ Paul Colwell and WIBC Queens Champ Judy Soutar.

Several area bowlers who join in league competition at Antioch Bowl were awarded patches for beating a cham-

Methodist Women To Meet

A regular meeting of the United Methodist Women will be held at 12:30 p.m. on Wednesday, Oct. 1.

The meeting at the Antioch Methodist Church will include a musical program.

Bazaar Planned At St. Peter's

The annual Christmas Bazaar of St. Peter's parish will be held Saturday and Sunday, Nov. 8-9, in the church basement.

Chairman Anne Kozel has asked members of the parish to begin making gift items to help the bazaar become a success.

Union wage rates for the building trades averaged \$8.46 an hour on January 2, 1975.

Burglary Suspect Arrested

Sgt. Chuck Miller of the Antioch police department has been credited with solving the recent burglary at the Kentucky Fried Chicken restaurant.

Miller tracked down a 15-year-old Antioch area youth who reportedly has confessed to the crime. Police say that part of the \$450 to \$500 taken in the burglary has been recovered.

The young burglar apparently hid in the false ceiling of a restroom until the restaurant closed on Sept. 14. He then broke into the office and forced open a strongbox containing the money.

ANOTHER THEFT was reported to Antioch police last week. Partners Dennis Boehm and Joe Neumann of the Phillips 66 service station at Main and Orchard said that a bank deposit bag was taken from a desk drawer. It contained about \$2,200, half in money and half in checks.

The empty bag was found later on highway 50 in Kenosha county, near Paddock Lake, and a Kenosha highway employee found some of the checks discarded along the road on highway 83.

It would seem that the spot just north of the Waukegan yards is pursued by some malignant spirit for Saturday night, within 150 feet of the scene of a recent crash, two trains collided. A passenger coach was smashed, as well as the caboose of a freight train.

20 YEARS AGO: SEPT. 22, 1955

Antioch's third annual Dollar Days will be held Oct. 6, 7 and 8. Joseph Patrovsky of the Antioch Packing Co. has been named chairman and Robert Jenison, a committee member.

10 YEARS AGO: SEPT. 23, 1965

A recent study by Albert Dittman, superintendent, has shown that Antioch high school enrollment has more than doubled in the past ten years. 1955-56 enrollment was 466; this year, 971.

Varsity cheerleaders for this school year are Mary Kay Motley, Candy Bentel, Janet Sheehan, Donna Motley, Ruth Dyer and Glenna Burns.

License Plate Deadline Near

Secretary of State Michael J. Howlett has reminded motorists that Tuesday, Sept. 30, is the final day his office can receive applications for reassignment of license plate numbers for 1976.

"Illinois law grants everyone the privilege of retaining their license number, provided that application is made on or before Sept. 30," Howlett said.

"The deadline is set by statute. All automobile and recreational vehicle owners should have received pre-printed application forms in the mail," Howlett added. "I urge everyone who wants to retain his present number to complete the form and return it by this date."

License applications must be submitted on the pre-printed forms, which were mailed in late July. Recreational vehicles, formerly licensed on a fiscal year basis, are now included with passenger cars on a calendar year basis.

Firemen Honor 'Old-Timers'

The second annual OldTimers Night for former members of the Antioch Fire Department will be Tuesday, Oct. 14.

The event will be held at the fire station, with cocktails at 6:30 p.m. and an "OctoberFest" dinner at 7:30.

TAKING SAMPLES of the sediment at the bottom of Nippersink Lake last week were members of the Chain o' Lakes-Fox River Commission. At left is Ed Snearley, project environmentalist for the commission, and in the white jacket is Jerry Murphy, executive director. Behind them is Ray Zeman of

Marine-Sequoit Harbor, which donated the boat and operator. Murphy said the samples will be sent to a laboratory to determine amounts of phosphates, nitrates, various metals and sewage. Nippersink Lake is the area in which the commission is proposing dredging work in 1976.

Advanced Training

Fifteen hours of advanced training for fire-fighters will be conducted by the University of Illinois at the fire department in Wadsworth from Sept. 23 to Oct. 7.

Five three-hour classes are scheduled. Members of fire departments will be admitted. There are no registration nor tuition charges.

Jim E. Bennett, who has passed advanced instructors' courses in firemanship training, will be the teacher.

2 Killed In Crashes

Two young Lake Villa men were killed in the last week, one in a car accident and the other in a motorcycle mishap.

James R. Weber, 20, of 300 Douglas Lane, died Sunday when his car veered off the shoulder of the road and then hit a drainage ditch. The accident happened on DeLany Road, near Gurnee.

Weber, a 1973 graduate of Antioch High School, worked for his father at the Weber Duck Farm in Lake Villa.

Funeral services will be held at 1 p.m. today at Strang Funeral Home in Antioch.

Gregory B. Stephens, 26, of Sand Lake Road, was killed last Thursday when his motorcycle went out of control on a curve on Grass Lake Road, west of Millburn.

Sheriff's deputies said Stephens was thrown from his cycle and struck two trees. He apparently lost control on loose gravel on the edge of the road.

Hearing on CABL Sept. 25

A public zoning hearing on the CABL property will be held at 7:30 p.m. Thursday, Sept. 25.

The site will be the Antioch village hall and the hearing will be conducted by the village's zoning board of appeals.

The CABL group already has a pre-annexation agreement with the village. The proposed zoning petition will be considered at the Sept. 25 hearing.

The CABL property, west of Tiffany Rd. and south of North Ave., eventually could become a major housing development.

The project has received the endorsement of the village planning commission and the high school and grade-school districts.

PM&L Ticket Prices Go Up on Oct. 1

There is only one week left to buy season tickets for PM&L's Season 15 at the reduced price of \$8 a ticket for five shows. On Oct. 1 the price increases to \$10.

The first show will bring Season 15 to a hilarious start. It is the Broadway and movie comedy favorite, "The Man Who Came to Dinner," playing at the PM&L Theatre, 877 Main St., Antioch, on Oct. 11, 17, 18, 24 and 25. Curtain time is 8:30 p.m.

To order season tickets you can mail a check for \$8 with your name, address and phone number to PM&L, Box 23, Antioch. Season tickets will be mailed out after Oct. 1. To phone for reservations call 395-3055. Reservations must be made to assure seating at a particular performance.

Valerie Hunley of Antioch, a graduate of Goodman Theater,

is directing a cast of old and new faces. PM&L welcomes back Josef Hunley who stars as Sheridan Whiteside, the role made famous by Monty Woolley. Joe is a former PM&L

president and has directed several shows, including "Night Must Fall," the first show given at the theater.

Also returning is Gary Richter as Bert Jefferson.

Betty Beveroth from Paddock Lake will play the part of Mrs. Stanley.

Gerri Duncan from Wilmet, who appeared in "Guys and Dolls," and other PM&L productions is playing Sarah the cook in this play.

Bob Lindblad, as Mr. Stanley, dates back to the Lakeland Players in Antioch.

CHANNEL LAKE CHATTER

By LOUISE GUTOWSKI

On Sept. 8 a group of 10 children and two adults, after a six-year wait, went to Bozo's Circus.

Judy Gossman and this reporter, along with Jeri Gutowski, Cindy Willett, Jackie Bjork, Vicky DeWitt, Gina and Rhonda Franz, Jody and Rick Gossman, Mike Koss and Ken Byrns, journeyed to the WGN studios for the live TV Broadcast.

The trip was quite a thrill for all of us as Bozo and Cookie the

surprised by the gathering of some 30 relatives and friends who were on-hand to help him celebrate.

Among the guests were his brother Ture and wife Peggy from New York.

Enjoying the festivities with her husband was Lee Swanson who has been recuperating for the past six weeks after undergoing surgery in a Chicago hospital. The Swansons are long-time residents of Channel Lake.

SPEEDY get-well wishes to Beverly Ryszko who is home after spending three weeks in Victory Memorial Hospital.

Virginia Rudolph had an emergency appendectomy on Saturday at Victory. She is doing very well and will probably be home by the time you read this. I'm sure cards from her many friends would be appreciated. Get well soon, Virg.

CONGRADULATIONS to former residents Albion and Beverly Chipman on the birth of their new daughter, Samantha. The little bundle of pink was born Sept. 13 and tipped the scales at 6-lbs 7 oz. The Chipmans formerly lived on Grapevine Ave. and now make their home in northern Wisconsin.

I reported in my last column that Debbie Burton celebrated her 5th birthday when it was actually her 6th. Sorry for the blunder, Debbie, but mark my words, one day you will be trying to erase that year, plus a few more.

Mr. Henry Meyer, superintendent of school district 34 was on hand at a meeting for Channel Lake school residents to give information and answer questions pertaining to the need for a new lower grade school building in our district.

Let me know the news!

Farmers Oppose Metrics

Most Illinois farmers are opposed to the United States adopting the metric system of measurement. This is in spite of the tripling of agricultural exports since 1970 that call for sales in metric weights.

Of the farmers interviewed personally by Prairie Farmer polltakers, 61.5 percent opposed the adoption of metric system and 20.4 percent were in favor. The remaining 18.1 percent were undecided.

Not surprisingly, farmers over 60 were strongest in their opposition. Of those questioned, 68.7 percent said they were opposed and 17.6 percent said they were for metric.

On the other hand, farmers with some college training, who had an opinion, were in favor of going metric-41.5 percent for compared with 34.1 percent against.

Help Offered In Career Decisions

A free orientation to outline Family Counseling Clinic's career planning program will be held at the Grayslake facility next Tuesday from 7:30 to 9 p.m.

Persons interested in hearing how the program can help them make "informed personal decisions" can call the Clinic at 223-8107 for a reservation.

Psychologist Roger Mick will explain in detail what the career counseling clinic can do for students, women returning to school or work and persons considering a career change.

The program includes a personal interview with a career specialist, detailed testing, an interpretive report and follow-up sessions with a career specialist.

Family Counseling Clinic is located on Rt. 120 just west of Rt. 45 in Grayslake.

Old Farmer's Riddle: What works better when it has something in its eye? (Answer below.)

Ask the Old Farmer: My husband's family used to operate a grist mill where the fine flour was said to be "bolted." What is this process? P. C., Dallas, Texas.

"Bolting" as applied to flour

THE ENTERTAINER

DISPLAYING a farmhouse antique chair at the Rotary Club's auction last Saturday was Bill Durell, a member of the club. At the right is Bill Brook, past-president of Rotary and, behind him, auctioneer Herman Behm. The club's annual Country Bar-B-Q and Dance at St. Peter's attracted a large crowd and the auction raised money for future Rotary projects that will benefit the community.

ARIES [March 21 - April 19] — Others may be prone to make unreasonable demands of you. Set the pace you're comfortable with and avoid the presence of those who try to force their ideas.

TAURUS [April 20 - May 20] — Efficiency plays an important role in your week; with a well planned schedule you get the chance to prove your competence. Strengthen ties with colleagues.

GEMINI [May 21 - June 21] — Pursue entertaining interests; favorable planetary vibrations may make you think you've hit a lucky streak. Speculating can pay off if you do some advance homework.

CANCER [June 22 - July 21] — Domestic matters may require more of your attention but don't get too bogged down in the trivialities. Don't make commitments that will interfere with routine.

LEO [July 22 - August 21] — Your ability in handling diversified duties can be a definite plus factor now. Making outside contacts, communicating effectively enhances your chances of getting ideas developed into something worthwhile.

VIRGO [August 22 - September 22] — Ambitions in improving money matters should be encouraged. You have the personal magnetism now to work with others in a persuasive manner to cultivate your own aims.

LIBRA [September 23 - October 22] — You are able to meet challenges head on. Busy planetary vibrations keep you highly motivated. A good time to set an entirely different trend for yourself.

SCORPIO [October 23 - November 21] — Give in to the urge to spend more time in quieter surroundings. A secluded atmosphere helps you unwind and get a clearer mental picture.

SAGITTARIUS [November 22 - December 20] — You are more apt to meet people who have unusual ideas. Finding unconventional personalities more interesting, enthusiasm for the extraordinary prevails.

CAPRICORN [December 21 - January 20] — Making abrupt career changes can be a traumatic experience so don't rush into things without careful consideration. People are more aware of your actions now.

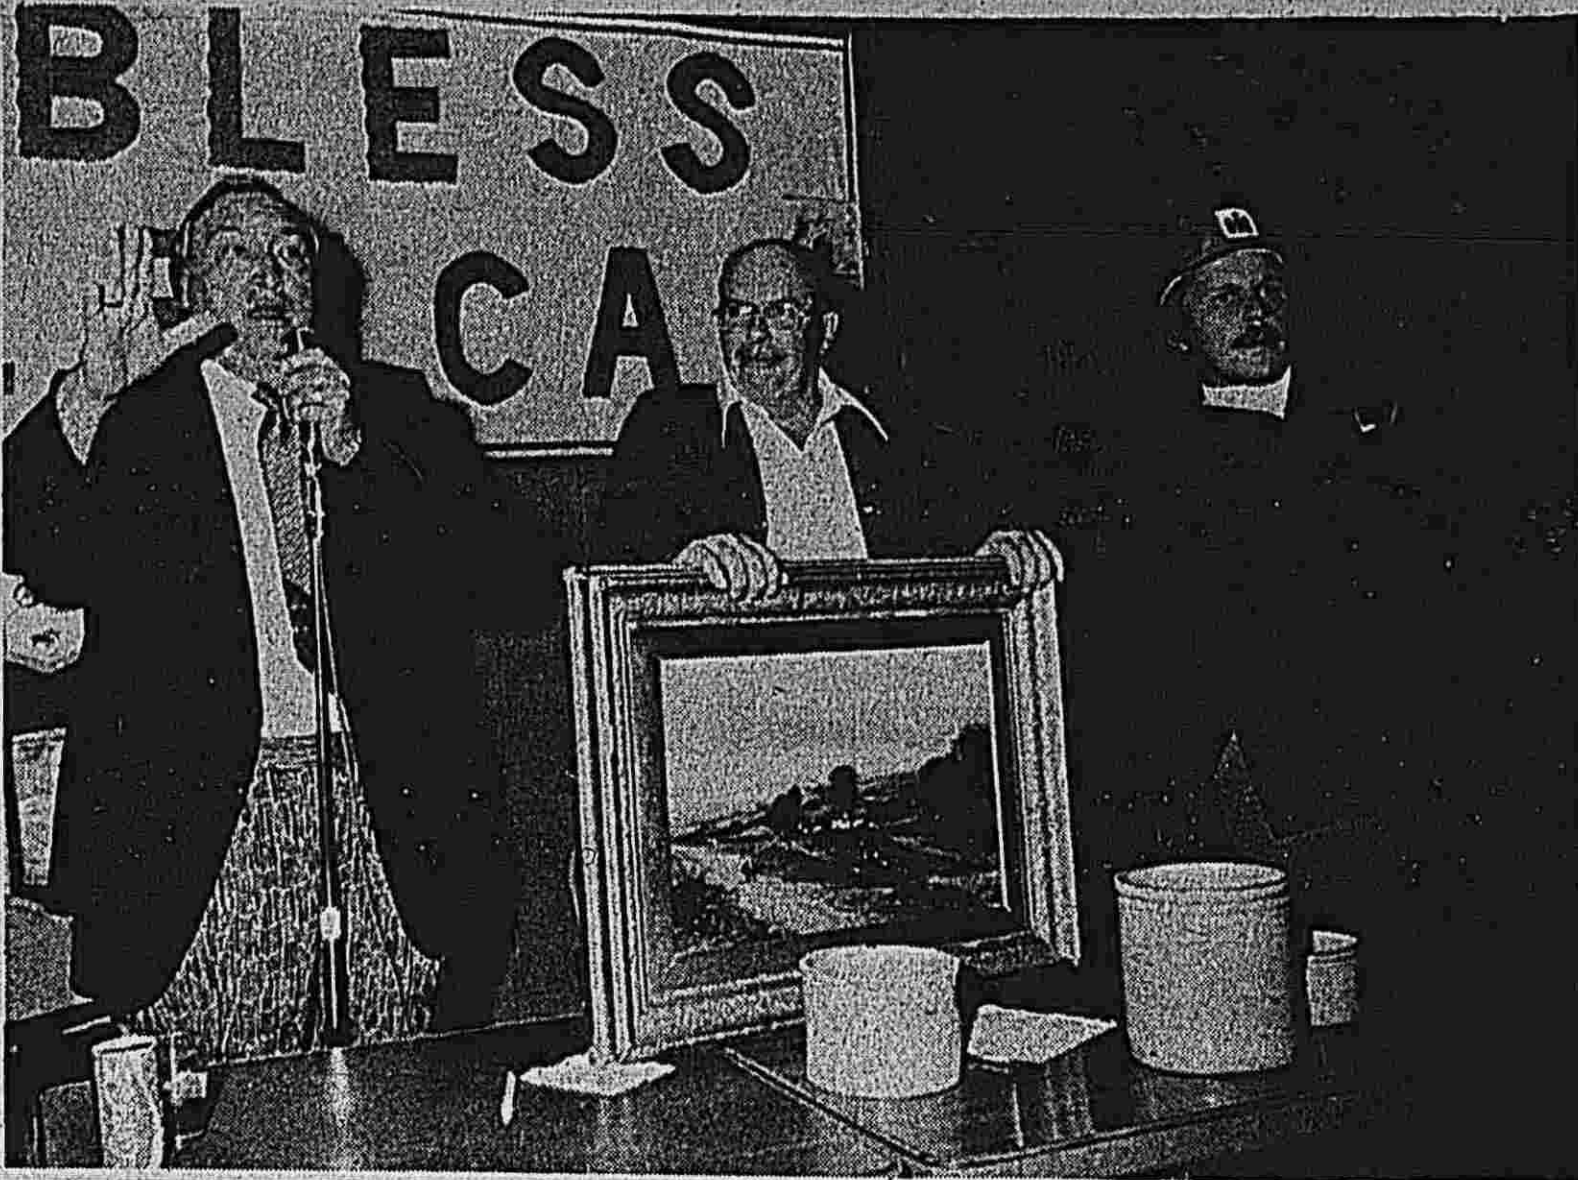

AQUARIUS [January 20 - February 19] — Set high goals, with present good planetary aspects you are able to keep them. Serious thought should be given to future plans.

PISCES [February 20 - March 20] — Your ability to handle business matters with shrewd know-how can be surprising. Concentrate on the detail work; investigate every angle.

Along the way with ANNIE MAE

Brrrr ... these chilly mornings really are something else to get used to.

The cool weather didn't stop golfers from St. Stephen's Lutheran Church last Sunday when they gathered for their first annual outing at the Antioch Country Club. Most of the gals only lasted for nine with the fellas playing all the way through. Irv Walsh sure did a fine job, walking away with two prizes for his fine shooting. Son Bob didn't do too badly either.

Lots of people were on hand for the Rescue Squad Golf Outing last Wednesday at Spring Valley Country Club. Must've really been exciting driving a cart out there. Hear tell everyone had a super time and all is well in Antioch. Noticed that Jim Kopriva and Stu Olson had lunch together. Shirley Gutowski was thrilled

last Sunday morning when a call arrived for her from the Philippines. Rick Johnson, a 1973 graduate of ACHS, called to say hello and catch up on all the family and town news. Rick sends greetings to his friends here and tells us he will be discharged from the Navy in May.

Chief Maplethorpe is just back from Las Vegas where he attended the Illinois Fire

Chiefs' convention. Lots of fun - but it's always nice to be home, he tells us!

Pat and Jim Harvey celebrated their 25th wedding anniversary with a lovely party for friends and neighbors last Saturday evening. Say, Treas - how did you make out with the oven?

Speaking of 25th wedding anniversaries, Ollie and Janice Hunt will celebrate theirs on Saturday, the 27th. Congrats!

CONGRATS TO Margueritta and James Fabio who were married last Saturday afternoon at the Antioch Methodist Church.

Dick Witt and Roy Witek were honored at a three-day convention for outstanding State Farm Insurance agents at the Marriott Hotel in New Orleans Sept. 10-12. The fellas and their wives had a lovely three-day holiday, taking in the sights of the city and attending a banquet in their honor.

Be sure to stop in at the library and see the Lake Region Homemakers' display of their bicentennial quilts this week. They will be there from Wednesday through Saturday.

Soph, Frosh Teams Win

The Antioch sophomore football squad defeated a hard-hitting Wauconda team 14-12 Saturday. The freshmen beat their Wauconda opponents 12-0 and now are unbeaten in three games.

The sophomore game was as exciting as the score indicates. The Sequoits received the opening kickoff and halfback Jim Crutchfield returned it 82 yards for an apparent touchdown. It was called back on a clipping penalty and the Sequoits put the ball in play on the Wauconda 38. After six plays Tom Huebner went in from the eight and also made the two-point conversion.

Wauconda came back in the second quarter and went 37 yards in six plays to score. But they failed on their conversion attempt, leaving the score 8-6 at halftime.

Both teams threatened in the second half only to stop themselves on fumbles, interceptions or penalties. Antioch fumbled three times, (once on the Wauconda nine) and lost two, plus having one pass intercepted. Wauconda fumbled three times, once on the Antioch two and lost all three. They had two passes intercepted.

The excitement came with

2:40 left when Wauconda scored the go-ahead touchdown.

The Sequoits came racing back, however, after receiving the kickoff on their 23. Kenn Rosenbrock returned it to Wauconda 49. After two passes fell incomplete, quarterback Brian Andrews found the mark and hit Al Moore for a 49-yard TD. Only 32 seconds had elapsed between touchdowns.

The Sequoits were plagued with 60 yards in penalties but still managed 244 yards on offense with Andrews completing 5 of 14 passes for 129 yards.

Outstanding performances came from Rosenbrock, Tim Huebner, Tom Huebner, Andrews and Bill Babe.

The sophs travel to Cary-Grove Saturday in hopes of extending their streak. Kickoff is at 12 noon.

Remember back when a suit included two pairs of pants and a vest and if you bargained hard enough the merchant would throw in a shirt and necktie?

Number of Wives In Labor Force Tripled Since 1940

A statistical report by the Institute of Life Insurance points out that since 1940 the proportion of women participating in the labor force—either working or seeking work—has increased by 68 per cent.

The most marked increase has been among married women, according to the report. Their rate of participation in the labor force tripled during that period.

OAKWOOD KNOLLS NEWS

Referendum Discussion Tonight

By JEANNINE LEONHART

The September meeting of the Oakwood Knolls Property Owners Association will be held tonight (Wednesday) at 8 o'clock in the State Bank of Antioch community room.

All members of the association are urged to attend. Henry Meyer, superintendent of Antioch Grade School District 34, will explain the Oct. 18 school referendum. The referendum will have a direct effect on Oakwood Knolls grade school children, so we are sure that many of you will have questions that can be answered by Mr. Meyer.

NEIGHBORS OF Gail Grossi helped celebrate her birthday on Sept. 17 at a coffee at Barb Johnson's. Among those present were Chris Kellogg, Judy Phillips, Dolores Pittman, Mary Dilloo, Carol Leben, Pearl Roach and Pat Murphy. Everyone had a very enjoyable time.

Bill and Joan Jones have been spending a very interesting six weeks, entertaining Joan's aunt and uncle and their children, Hank and Gisle Ohlsson and daughters Mona and Kristina who are visiting the United States for the first time.

The Ohlssons are natives of Silvesburg, Sweden, and have been having a thrilling time seeing such sights as the Sun-Times building and a trip

around Lake Michigan.

Though doing all this touring around the area has been exciting, the Ohlssons have been most fascinated with just going into local stores and comparing prices. They have found that our prices are so much lower and really found a bargain in an ear of sweet corn. In Sweden, an ear of corn costs an equivalent of 90c to \$1. It's really hard to imagine paying \$12 for a dozen ears of sweet corn!

THE BIG highlight of the Ohlssons trip, though, was the early celebration of Thanksgiving. They had heard and read quite a bit about the traditional celebration and wanted very much to join in, so Joan prepared the entire Thanksgiving meal. The Swedish people do not have turkey, sweet potatoes or squash available to them, so along with learning about the tradition of pilgrims and Indians, the Ohlssons treated their taste buds to some new delicacies. All in all, it has been a very busy and excited time at the Joneses.

OUR SINCERE get well wishes to Sue Simonson who is in Great Lakes hospital with some very severe injuries after she fell out of a tree on Aug. 22. Sue is expected to be confined for quite some time and would appreciate some words of cheer from her friends and neighbors.

Cards can be sent to her at Great Lakes hospital, 12 South, Great Lakes, Ill. 60088.

A get-mended-quick to Jennifer Czapiewski who broke her arm after falling off a bike. Being the old trooper that she is, she got up and continued playing. She finally told her mother her arm hurt after four days and promptly ended up in a cast. September is proving to be a very busy month for mother, Pat, who will be married Saturday at St. Peter's.

Happy birthday to Valerie Stroschein today (Sept. 24) and to Anna Carpenter and Darlene Johnson on Sept. 28. Best wishes to all of you.

Again, let me know the news. See you at the meeting tonight.

2 Young Men Take 2,700-Mile Bike Trip

Talk about ambitious vacations ... a young Antioch man, Mark Di Silvestro, 18, and his cousin, Gregg, 17, of Chicago, took off for 45 days and went on a 2,700 mile bicycle trip.

They went through 12 states, pedaling as far south as Crescent City, Fla. On the way back they went up to Ludington, Mich., took the ferry across to Wisconsin and then pedaled back to Antioch where Mark's parents, Tony and Phyllis Di Silvestro, own Dolphin Harbor.

The young men returned with great sun tans and in fantastic shape.

They got the idea for the trip after warming up last year with an 800-mile bicycle jaunt to Wisconsin's Door County.

THIS SUMMER they spent 35 of the 45 days riding. They averaged 77 miles a day and, cruising along at about 15 miles an hour, covered 130 miles on one of the days.

"It took us the 1,300 miles to Florida to get in shape," Mark says. "We'd be pretty dragged out at the end of the day. But on the way back we were in such good shape that we felt we could keep going all night if we wanted to."

Mark is an Antioch High School graduate who has completed his first year at the College of Lake County.

"WE STARTED out spending our nights in campgrounds," Mark said. "But they were so far between that we began asking to stay in churches. One night we stayed at a rescue mission and, in Georgia, we slept in a baseball dugout after getting permission from the police department."

"In Tennessee it was raining,

WELCOME HOME -- Gregg Westberg (left) and Mark Di Silvestro pose on the bikes that carried them 2,700 miles in 45 days. Greeting them on their return to Dolphin Harbor were their parents (from left) Lois and Carl Westberg of Chicago, and Phyllis and Tony Di Silvestro of Antioch.

so we slept in a deserted hillbilly shack at the suggestion of a park ranger."

Their bikes weighed 28 pounds and their packs an additional 32 pounds. Mark and Gregg carried a tent, sleeping bags, first aid equipment, tool kits, a small stove, cooking utensils and toothbrushes. They bathed in lakes.

THE TRIP included a 15-mile uphill climb through mountains

in Tennessee. After getting to the top they coasted downhill for 30 minutes, at 30 miles an hour, keeping up with the cars.

"That was really some ride," recalls Mark. He said the views in the mountains were spectacular at times.

They had a few close calls. "Coming out of Cincinnati at 6 a.m. I heard a car coming up behind me," Mark said. "He must have been doing about 40, and I heard a big screech as he

stopped about a foot behind me. He probably was half asleep and didn't notice me until the last moment."

Another time he had to jump his bike off the road to avoid an oncoming truck that crossed into his lane while passing a car.

HEADING UP to the ferry in Ludington, the young men became separated. Gregg had been riding quite far ahead and

took a turn while Mark went down a deadend.

"It was kind of scary," he said. "We looked around for each other for 10 miles. I was going fast trying to catch him, and he was slowing down waiting for me. But as it turned out, I was ahead of him and got to the ferry two and a half hours before he did. If that had happened elsewhere on the trip, I don't know how we would have found each other ... except by a series of phone calls back and forth to our parents."

"It's a learning experience being out on your own," said Mark. "You really appreciate the conveniences of home and knowing you have a place to sleep."

Field Hockey Team Wins 8-0

The Girls' Field Hockey team won Sept. 15 by a score of 8-0. Wauconda was fielding a team for the first time and was very inexperienced.

Antioch girls scoring goals were Tammy Ester, Margaret Barlow, Cheryl Porter (2), Debbie Popp, Cathy Miller (2) and Michele Blanchette.

Antioch played well offensively and defensively and was much improved over its Grayslake game.

The next game is today against Woodstock, here.

Francis Pleviak, son of Mrs. Joseph Pleviak, 209 Cedar Ave., Lake Villa, was among the new freshmen and transfer students that began classes last week at Monmouth College.

Sequoits Shock Wauconda 20-16

Cary-Grove Is Next Tough Foe

After beating Antioch's Sequoits 48-6 last year, it must have come as quite a shock to Wauconda's Bulldogs to find themselves trailing 20-0 at halftime in last Saturday's game here.

And it was a pleasant surprise for Antioch fans to see that the Sequoits held on for a 20-16 victory, despite Wauconda's powerful performance in the second half.

So Antioch finds itself with a 2-1 record, only a game out of the conference lead, going into Saturday's 2 p.m. battle at Cary-Grove.

Cary-Grove is considered a pretty tough club, so the Sequoits will have to muster another of their inspiring performances to pull off a victory.

WAUCONDA WAS a defending conference co-champion and one of the pre-season favorites this year. Now the Bulldogs find themselves with three straight losses. It wasn't too surprising when Wauconda

lost 27-14 to third-ranked Lake Zurich, nor 20-12 to an outstanding Grant team. But stunned by Antioch? Wow!

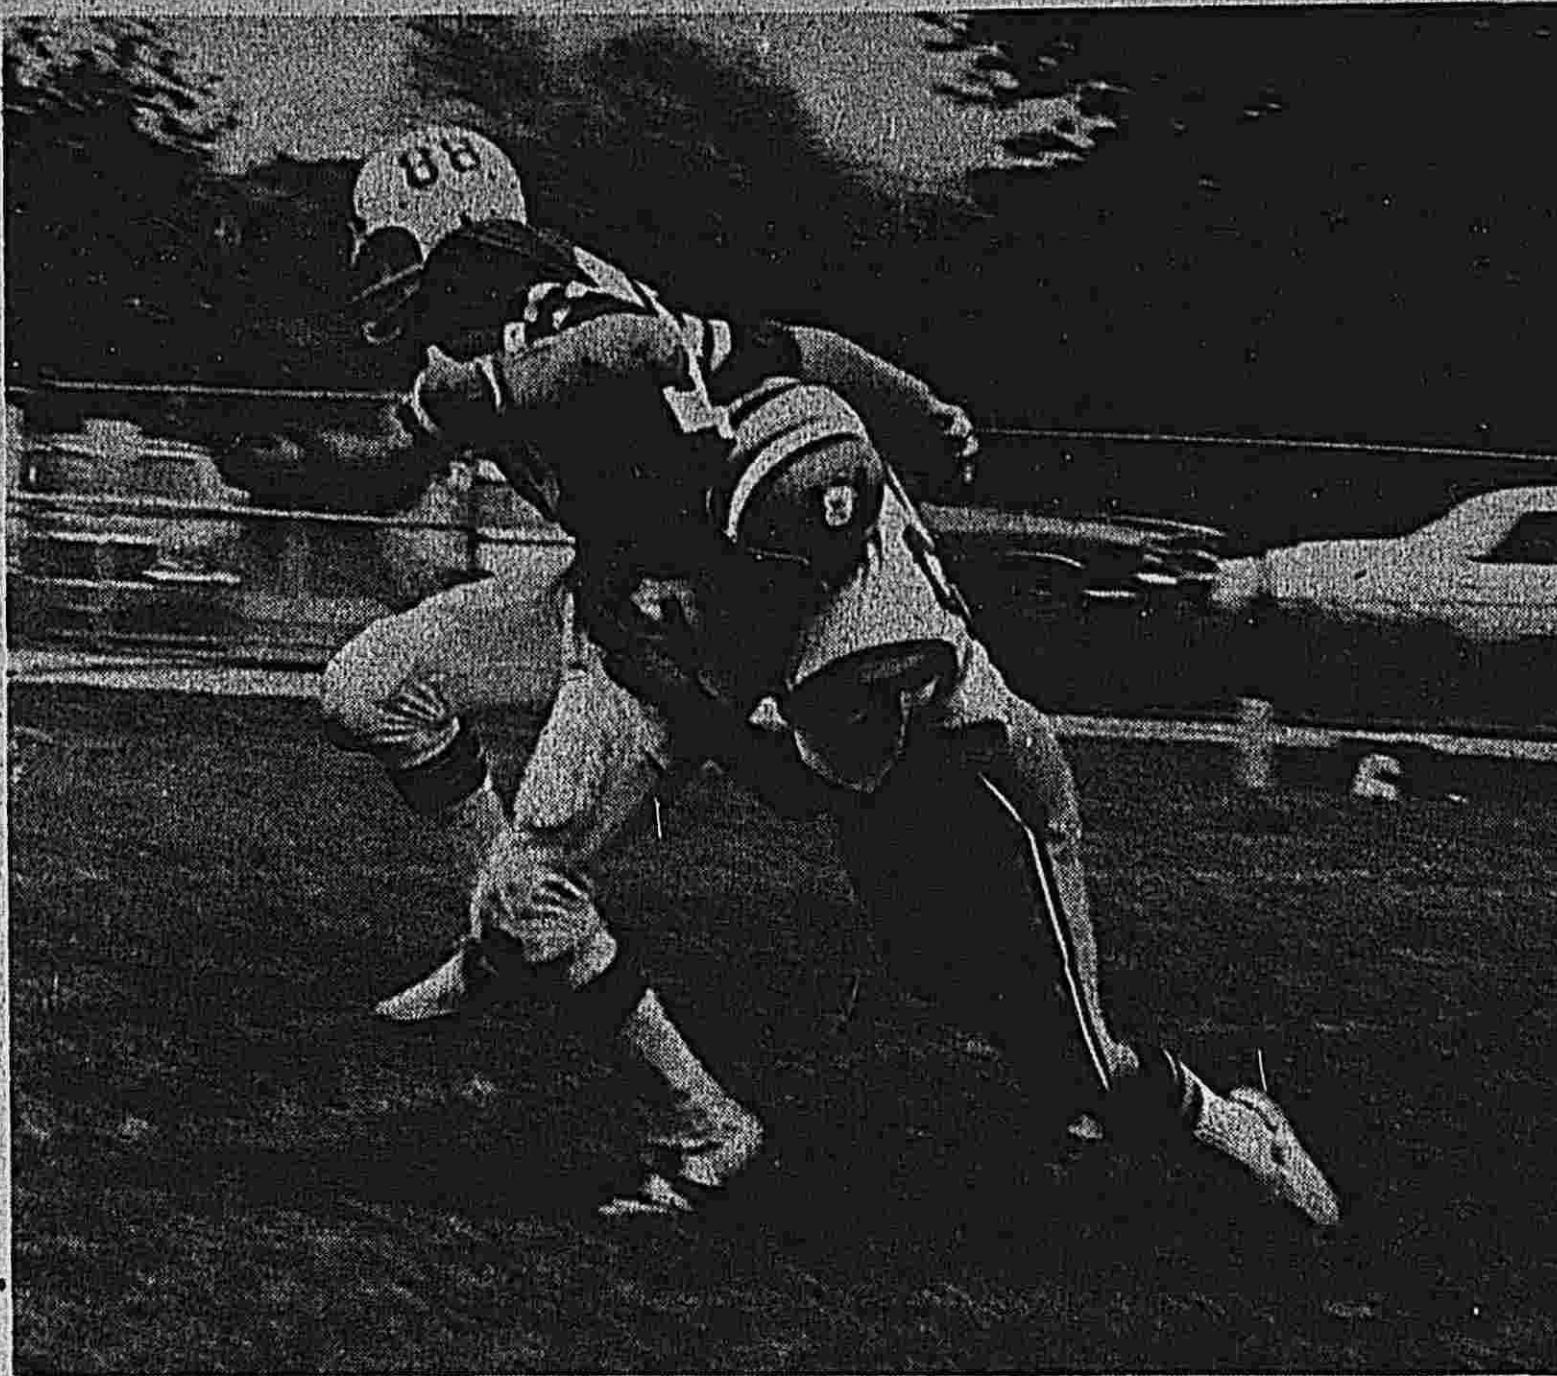

Antioch's next foe, Cary-Grove, opened with a 14-0 win over Warren, then whipped Lake Zurich 21-6 before getting whipped by Grant last week, 26-8.

ANTIOCH GOT all 20 of its points in the second half last Saturday. Quarterback Jon Bodin and end Dan Vos started it by clicking on a 28-yard touchdown pass.

Wauconda had to punt and Antioch marched 62 yards in 13 plays to make it 12-0. Bodin hit Chris Boarini with a 15-yard pass. Tim Sheppard and Dave Moore ripped off gains of nine yards each and finally Sheppard plunged over from the one.

The local fans were thrilled, but more was on the way. Tom McAvoy intercepted a Wauconda pass and ran 20 yards to put Antioch ahead 18-0. Then Dick Kessler ran for the conversion and made it 20-0.

BUT THE second half was mostly Wauconda, as the Bulldogs kept charging into Antioch territory. By the end of the third quarter they had closed the gap to 20-14 as halfback Dave Hedgepath plowed through Antioch's line.

ANTIOCH'S NO. 88, Chris Boarini, charges inside the Wauconda 10-yard-line after catching a pass from Jon Bodin in the fourth quarter of Saturday's game here. Wauconda was favored but Antioch stunned everyone by winning 20-16.

He finished with 119 yards in 22 carries.

A lot of people expected Wauconda to keep rolling in the fourth quarter and overcome Antioch's 20-point lead, but it didn't happen. Some key defensive plays kept the Bulldogs from scoring. Don Norwick recovered a fumble and several players made crucial tackles.

A Bodin to Boarini pass got Antioch inside Wauconda's 10, but the Sequoits failed to get their insurance touchdown.

In the last two minutes Antioch ran out the clock, and used a bit of strategy to keep Wauconda from getting the ball. With 15 seconds left, Bodin scrambled 39 yards in the wrong direction, purposely falling into the end zone to give Wauconda a 2-point safety which ended the scoring at 20-16.

Only four seconds remained and Jerry Schmidt got off an excellent free kick that used up the remaining time.

COACH ROY Nelson had praise for his players, including Paul Petty, John Kakacek, Dave Bogaerts and Mitch Witt. And he mentioned a lot of others.

"Our kids are coming. I'm

pleased with their attitude and desire to hit. And those assistant coaches, Steve Wapon and Ted DeRousse, certainly deserve a salute," Nelson said.

The Sequoits probably have lost Kessler for the Cary-Grove game. He suffered a severe

ankle sprain and was on crutches early this week.

Against Wauconda, Moore and Sheppard were effective ball-carriers. Moore gained 54 yards in 13 tries and Sheppard 37 in 12.

Bodin hit on seven of 14 passes for 99 yards.

Sequoit Golfers Post Low Scores

The Antioch High School golf team now has a 3-3 record and is 1-2 in conference play.

Last week Warren beat Antioch 175-180 at Spring

Valley. John Ambrose led Warren with a 40. Antioch was led by Del Gorski with a 43. Keith Rezin shot 45, Jim Christiansen 45 and Pat Houghton 47.

In the Jayvee match the Sequoits won 185-190. Medalist for Antioch was Dennis Korjenek with a 40. Steve Hartokolis shot a 47.

Last Thursday, Antioch posted win No. 3 with a 171-200 victory at Spring Valley over Harvard. Pat Houghton led Antioch with a 2-over-par 38. Other scores were Dennis Korjenek 44, Keith Rezin 44 and Del Gorski 45.

Antioch's Jayvee team fired its best score of the season with a 164-218 victory. Sophomore John Eder was medalist with a 40. John was followed by Steve Hartokolis 41, Bob Nasenbenny 41 and Chuck Gleason 42.

Cross-Country Team Puts on Lots of Miles

Antioch's cross-country team resumed its conference race with a meet against Cary-Grove and Round Lake at Fox River Park last Thursday.

The Sequoits beat Round Lake 19-36 and were narrowly trimmed by Cary-Grove 28-27.

Cary-Grove had a tough 1-2 combination of Mike Falconer and Bill Whitfield, who proved just too much for the Sequoits balance.

Bob Dubek paced the Sequoits, finishing 3rd, with Bill Harland, Dave Walpole, and

John Kaminski right behind at 5, 6 and 7 respectively. The fifth man was Jim Becker who finished 10th, and Mike Payne 28 and 29. Round Lake's first runner was 4th, breaking up Antioch's Pack.

On the Sophomore level Mark Lewis and Ron Grossman led the way finishing 4 and 5, but a strong 1-2-3 Cary-Grove group again pushed the Trojans past the Sequoits. Antioch did, however, out run the Round Lake soph 26-29. Antioch's other finishes were Mark Biel 10, Bob Sivola 11, Boro Reljic 14 and Dan Reband 17.

On Saturday, Antioch traveled to Crystal Lake for the

Grant-Crystal Lake Invitational. Lack of overall balance hurt the Sequoits in a meet where separate frosh, soph, junior and senior races were held.

Antioch's senior duo of Dubek and Kaminski carried the seniors to a 10th place finish among 15 teams. They were 15th and 27th respectively.

The junior team placed 12th, led by Bill Harland's 12th place finish.

The sophs finished the best for Antioch, - 9th. Dave Walpole paced them by finishing 10th and got good support from Jim Becker 21, Edison Sankey 59 and Ron Gossman 62.

Antioch's first year men finished in a tie for 13th as Mark Biel, Bob Sivola and Dan Reband finished 49, 51 and 72nd.

Bob Dubek, Bill Harland, and Dave Walpole earned ribbons for their finishes.

Saturday is the second annual Antioch Invitational at Fox River Park. The races start at 10 a.m. and the field includes county contender Mundelein and state powers from Palatine and Rockford Guilford.

SETTING A RECORD for Antioch's sophomore cross-country runners was Dave Walpole, who finished sixth against Cary-Grove and Round Lake in the time of 17 minutes and 23 seconds. Close behind Walpole was John Kaminski, finishing seventh. (Paul Maplethorpe Photo.)

Hunting Applications Accepted

Applications to hunt pheasants, Canada geese and ducks in public shooting areas managed by the Department of Conservation are now being accepted, according to Conservation Director Tony Dean.

"Applications will be processed on a first-come, first-served basis, and those accepted each day across the counter in Springfield will be processed after any received in that day's mail," Dean stated.

"Over the years, requests to hunt on opening days, weekends and holidays have always been extremely heavy. Hunters asking for other dates stand a better chance of having their applications filled," he advised.

Hunters will be allowed one pheasant, one goose and one duck permit. Telephoned requests will not be accepted. The use of dogs is encouraged at all public shooting areas.

"Put and take" pheasant hunting will be conducted at Carlyle Lake, Chain O'Lakes, Des Plaines, Green River, Iroquois County, Rend Lake and Richland County public hunting areas from Nov. 8 through Dec. 7.

Goose permits will be issued for hunting in Horseshoe Lake and Union County public shooting areas between Nov. 25 and Jan. 20, or when 22,000 geese have been harvested.

Dorothy McAvoy Wins \$15 Prize

There were a flock of entries in the Antioch News' football contest last week and most of them picked Wauconda to win. But Dorothy McAvoy, Melanie Smith and Ron Jackson had faith in the Sequoits. Dorothy and Melanie picked Antioch by three points and Ron chose the Sequoits by five.

Dorothy, however, had the tie-breaker right. She picked the Baltimore Colts to beat the Chicago Bears. And she wins first prize, a \$15 gift certificate at Stanley's Men's Fashions. Both Melanie and Ron picked

the Bears to win by six points, so they will share the second and third prizes - a \$10 gift certificate at Rittenhouse & Embree Lumber Co. and a \$5 gift certificate at The Vault restaurant. We'll split up the prizes for them.

Not far off were Jean DeBoer and Scott Kimball, who picked Antioch to beat Wauconda by six points.

This week's contest appears on page 17. Be sure to get your entries in before Saturday's 2 p.m. kickoff.

Vikings Lose at Mundelein

Antioch's Viking football Lightweights traveled to Mundelein Sunday and ran into a 12-6 defeat.

The lone Viking score was set up by two long runs by Hal Fox, who also went the last two yards for the touchdown.

The Viking Heavyweights had two costly fumbles and an

interception which were turned into Mundelein scores. Antioch lost 18-0.

Mundelein's heavy weights led 18-0 at the half, then Antioch came to life but two fine offensive drives stalled inside Mundelein's 10.

Last Saturday the Viking PeeWees hosted Buffalo

Grove's No. 2 team and lost 13-7. On the third play of the game Antioch's Bob Thain swept left end and romped 55 yards for his team's only touchdown.

Next Sunday the Vikings are at home against Fox Lake. The Lightweights play at 12:45 p.m. and the Heavyweights at 2 p.m.

Schill Is Champion At Lake Geneva

Al Schill of Franklin, Wis., has won another season championship title. His latest is the Toft Auto Racing (TAR) Late Model Championship for 1975 at the Lake Geneva Raceway.

He drove a 1975 Camaro to the season title in racing at Lake Geneva.

His first championship was in modifieds at Wilmot. Schill has also won the IRA season championship plus track titles

in the super modifieds.

Vern Browne of Libertyville took the lead on the 46th lap of the season championship 50-lap feature at Lake Geneva last Saturday and scored his first feature win of 1975.

FLYING WITH TOTS - The holidays are not too far away, and many will be doing just this; taking the children along. Following are a few tips which might be of some help for you and the airlines.

If you plan to fly with children, don't take for granted that the airlines will have everything you'll need to keep tots occupied. Children between three and eight are naturally restless. So make sure you bring some games and activities to keep them busy.

On the subject of seatbelts on kiddies, here are the guidelines: If you have little ones, say up to age 4, you keep them on your lap for takeoff and landing with the seat belt around both of you.

When they're tucked under a blanket enroute, fix the seat belt loosely over them in case of turbulence.

Many families fly at night when the rates are less and it is a lot easier on them and the children, for most of the time the children are fast asleep during their normal sleeping period.

For babies, there are seats where the stewardess will snap in a portable bed in front of you. Make sure you ask for these seats when you buy your ticket. Not all airplanes are equipped with this feature. And don't forget to remind the personnel again when you check in at the airport for the seat.

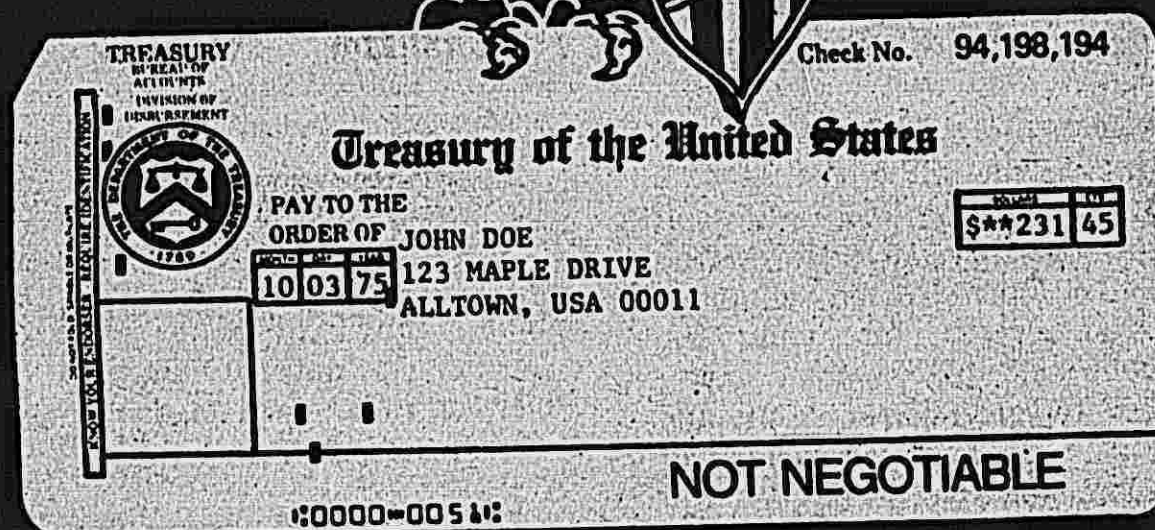

The stewardess will warm a milk bottle. Most airlines say they carry canned baby food, but don't take any chances. Take some of your own, for I know by experience that your child would be hungry about 74 percent of the time because of no baby food put on the aircraft.

Environmental
Program
Selected

The Antioch grade school district's Environmental Education program has been selected as one of two to be displayed at Quincy Conference will feature 13 nationally known educators and a special guest speaker, Dr. Joseph Cronin.

The Antioch program will be exhibited along with 37 other programs which have been selected from more than 100 Title III programs.

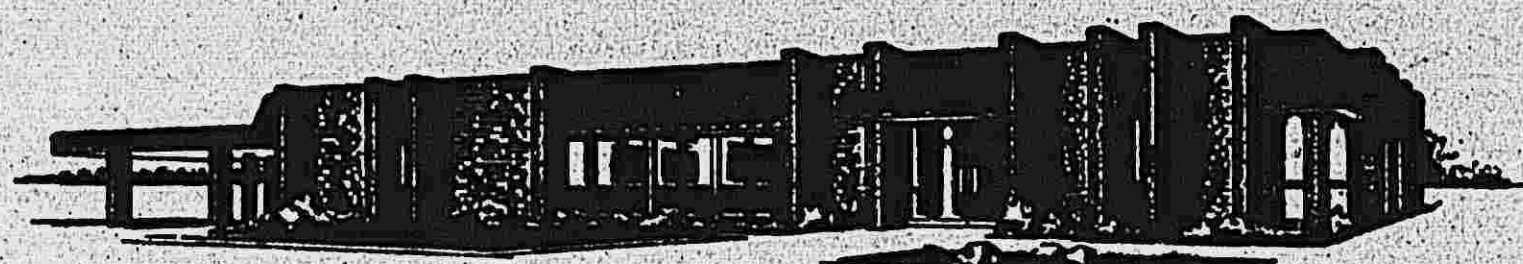

Antioch was selected because of its successes during the past year in the Lake County area. The project now involves more than 180 teachers in 23 school districts in Lake County.
